

The Impact of Your Life

Icebreaker: Tell you group about a person who has impacted your life.

Read Together: Acts 17: 1-7 (ESV)

Discuss:

- In your experience, are you more likely to live for other people to like you or are you more likely to you lose friends because you won't compromise your beliefs?
- Can you find your version of Christianity in the Bible?
- Process this statement together: "When the kingdom of God comes to church...to a person...it changes! The Local church is designed to impact the community around it!"

Read Together: 1 Corinthians 10:31 (ESV), Acts 16:16-19 (NIV)

Discuss:

- What experiences have you had with people who may not like that the Kingdom of God has come?
- Everything we do is about aligning things with God's heart! How do you see this play out in your daily life?
- How are you bringing the Kingdom of God to earth?

Pray:

Ask God to show you how to bring His Kingdom here in your areas of influence.

Ask God to show you any areas that you may need to bring in full alignment with His ways.
