

THE YEAR OF THE BIBLE

## The Life God Blesses

**Icebreaker:** What is your Favorite Fall activity?

The church often gets distracted from what the Word of God is really teaching us! The deception of the enemy has made its way into the church, the homes of Christians, and the lives of believers. The only way for the lies to be laid bare is for us to understand the Word.

The Modern church has often drifted from teaching the word to meeting the “felt need” in the church and we get off course by doing that!

**Read Together:** Psalm 1:1-6 (ESV)

**Discuss:**

- How have you found yourself walking in the counsel of the wicked?
- If you have not walked in the counsel of the wicked, how have you seen others fall into that trap? (Don't name names!) 😊
- What is an example of standing in the way of sinners?
- How do you see people sitting in the seat of scoffers?
- How does a believer stay away from the counsel of the wicked, standing with sinners or sitting as a scoffer?
- What is the fruit of a person who delights in Gods word?
- When you stand in front of Jesus, what do you hope He will say?

Here is the truth of what happens to a believer:

You will stand in front of God, and He will say something like this: “You are here on the merit of Jesus Christ.” You will stand there with eyes locked on the creator and finally get to be with Him! You will be so enthralled with Him that all the suffering of this world will be meaningless!! What a glorious day that will be.

**Prayer:**

Father, help me to walk in your ways and not be distracted by the ways of the world. It is tempting to think that the wicked are right but help me to know your word and be discerning in

what I allow myself to intake. Give me your eyes and your heart and help me to walk with joy in your presence. Teach me your ways. In Jesus' name, Amen.
