DTS in Charlotte

Dear Cristen,

Since we arrived back to North Carolina we have been certainly engaged. We hosted a Discipleship Training School Foundational Workshop where Haydee and I spoke. This is a training for DTS school leaders and staff to equip them in leading/staffing their DTSs. We had YWAM staff come in from many other bases around the East Coast. It was very encouraging and productive.

Last month, we started our DTS here in Charlotte. I am fully involved while Haydee is leading a small group (see picture). It is superb to get back to our roots and doing what we both love, discipleship.

Later on this month, I will be traveling to [YWAM Myrtle Beach, SC](#) to speak in their DTS on Identity and Relationships. Then in November, as a family we will be traveling to Orlando, FL for our [YWAM's Eastern North America Gathering conference](#).

Thank you for all of you who support us financially and/or pray for us. There is no way we could do what we do without you!

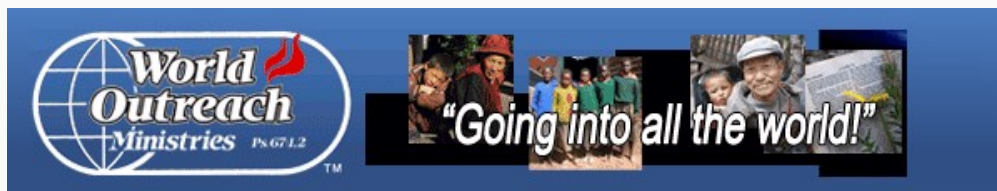

With thankful hearts,

Campbell Family
