

"Train up the child the way he should go and when he is old he will not depart from it." Prov 22:6

**Hi friends and family,**

I pray and hope this update finds you and your loved ones well. Enjoy the very short summary of what I've been up to. Thanks for reading :)

## **My itinerary these past 7 months:**

**HAWAII - CAMEROON - SWITZERLAND - FRANCE - BELGIUM - CAMEROON - IVORY COAST**

### **In Hawaii**

I helped with the Discipleship Training schools with more than 60 young people from various parts of the world whose lives were radically changed during the 3 months they spent with us at Ywamships.

### **In Cameroon,**

I led a team of 8 people on outreach where we had the privilege to do ministry with various groups among which 10 primary schools.

### **In Switzerland**

I helped Pioneer our Educating For Life Trainers and Teachers training. We had 13 participants among which: school founders, school directors, and teachers from Africa and Europe.

### **In France and Belgium**

I got to reconnect and visit with wonderful friends and family members. So refreshing :)

### **In Cameroon again**

I visited with my family and my dad whose life was miraculously saved by God as He had a cardiac arrest while very sick recently and PRAISE GOD he was revived back to life. Please stand with me as I'm believing God for his salvation along with the salvation of all my family members: My father as 2 wives and 14 children (that I know of), many grand children and great grand children.

### **In Ivory Coast**

I've been here for 6 days and will be staying here 1 month to pioneer a new Educating for life Trainers and Teachers training. We are expecting around 50 Trainers and Teachers who have the potential to influence hundreds of teachers and parents and thousands of students.

**PRAISE GOD FOR HIS GRACE, PROTECTION, PROVISION AND TRAVEL MERCIES :)**
