

Keeping in Touch

The Warrens

Summer, 2017

Hello Friends!

We pray you are well during this season! Our lives have been filled with the blessings of ministry, family, and friendships in recent months. Here are some of the highlights!

YWAM Denver

Students graduated from the winter term with great vision, transformed lives, and wonderful excitement for the kingdom of God. They ministered to refugees in Lebanon and Greece, villages of Nepal and India.

Local ministry:

Kingdom Night: Our teams continue the weekly "Kingdom Night" ministry downtown Denver. This is always a rich time of seeing God's care and compassion for all those they encounter.

Local refugees: Students and staff have worked among Burmese, Ethiopian, and Somali refugees in the Denver area showing the Jesus Film in their own languages with ongoing Bible teaching and children's activities.

Current schools:

Summer DTS is nearly finished with their lecture phase and preparing for 2 months of ministry in the Philippines and Indonesia.

WISE School: These students have focused on the tools for winning nations, cities, and people to Christ through worship, intercession, spiritual warfare and evangelism. One highlight was a week downtown partnering with local churches to feed the homeless and share the gospel on the streets.

Warrior at Heart Camp: This month our staff is hosting a boot camp for 50 men at our Eagle Rock campus. It will be an intense 4 day experience exploring

marriage and fatherhood for Christian men from the Denver area.

BacalarTeam:

It's been just over 3 months since we launched this new work in the Yucatan! We've seen God's provision of housing for the team, translators and Spanish teachers, relationships built with several local churches and Mayan villages. They are entering a new phase of focus on specific village needs. Please pray for discernment in use of resources and church partnerships during these foundational days. We've attached a short, fun **video** that will give you a sense of joy this team carries.

Warren Family News

We are most grateful and thrilled that our daughter Rachel is expecting our sixth grandchild in October. Already a miracle, this little girl has a benign tumor in her lungs that may require surgery, so we covet your prayers for both baby and mom! Jess and Kyle are meeting the challenges of living in Mexico with courage and expectation of what God is going to do!

Peter has taught for numerous YWAM bases in recent months, including Tyler, TX, Redding, CA, Nuneaton, England, Lausanne, Switzerland, and Tijuana, Mexico. . Currently, he's in Wollongong, Australia and sent a **video greeting** I've attached below.

With love and appreciation for each of you!

Peter & Linda
