Hallelujah for being saved.

- What was the Holy Spirit speaking to you this week as you listened to Pastor Jason?
- What is this passage describing?
- What specific things has Jesus done for you that make you want to worship Him?
- When people of God have been delivered, the most natural response is to SHOUT, “HALLELUJAH”!!! We gather to worship and honor him. Hallelujah, he has come to make a way for us!

Hallelujah for what is to come.

- How do you imagine the marriage supper of the Lamb?
- It is important to reserve worship for Jesus and not His messengers. Whom have you been enamored with, in your walk with God, that could potentially take your eyes off of Jesus?

When Jesus the King returns:

- He will return in stunning glory and power. What do you imagine that will look like?
- He will judge all who rejected him. We will not have to deal with evil!

Food for thought as you wrap up:

- Our worship should not be contingent on whether we like a song. We worship because of what Jesus has done!
- Our Worship is to be held hostage until the ransom of our preferences is paid. What are the preferences that hold you back from worshipping?
- What will you do in response to the Lord based on the content of this message?

Prayer:

Lord, please show me where I am holding my worship hostage. Where have I lost perspective on who you are? Please bring my preferences, perspectives and responses into alignment with you and your will for my life! Help me to worship in response to you and all you have done for me. Teach me to thank you even when I have a hard time seeing goodness. I need you and want to have eyes to see the way you see things. Show me your glory! In Jesus' name! Amen!
