

Nothing is Impossible: Literally

Icebreaker: What is your favorite flower?

Read Together: Romans 8:1-11 (ESV)

Discuss:

- What does the scripture above say?
- What was the Holy Spirit speaking to you as Pastor Mark shared this message?
- What needs to be repaired in your life?
- What would it be like if you fully understood the impact of being IN Christ and Him being IN you?

The Holy Spirit makes impossible things possible. (And we have unlimited access to Him.)

Read Together: Mark 9:21-29(ESV)

Discuss:

“Essentially, Christianity is not you leading a righteous life and offering to God. It’s God’s son leading a righteous life and offering it to you.” - Timothy Keller

- What are some ways that you can allow God to lead a righteous life through you?
- What impossible situation do you need the Holy Spirit to make possible?

Pray:

Take a few minutes to write a prayer of invitation to the Holy Spirit to work in the areas of your life where you need an impossibility to be made possible.
