

## From Death to Life

**Icebreaker:** What are your plans for Easter Sunday?

**Read Together:** Revelation 1:18 (NIV), 1 Corinthians 15:17 (NIV), Romans 8:11 (NLT)

**Discuss:**

- What was the Holy Spirit speaking to you during the message this week?
- What used to be thriving but now is not?
- Is there anything in your life that needs to die?
- The resurrection of Jesus shows us that we do not need to remain in the destructive patterns of our life. Is there anything dead in your life that God wants to bring back to life?
- Jesus wants you to live FROM His resurrection! Ask the Holy Spirit to tell you what that should look like!

**Read Together:** John 8:44 (ESV), 1 Peter 5:8 (ESV), James 1:13-18 (ESV), John 11:1-6 (ESV), John 11:11-26 (ESV)

**Discuss:**

- Satan ACTS like a lion, but he is not a lion. What is he posing as in your life?
- Read John 11:26 again. Do you believe Jesus' statement?
- Are you feeling weary in any areas of your life? (No amount of resting brings refreshment.)
- Ask the Holy Spirit, "What areas of my life are dead that you want to bring back to life?"
- Are you experiencing the power of the resurrection in your life?

**>> Think about 2 people that you can share with about what God taught you through this message. Who are they, and when will you talk to them? <<**

**Pray:**

Take time to pray together as a group. Ask God what He wants to remain dead, and what He wants to resurrect. Ask God to show you how to pray for one another. Pray what God says to pray for.
