

Love Each Other

Icebreaker: What are your plans for Memorial Day?

Read Together: Romans 13:8 (ESV), John 13:34-35 (ESV), Colossians 3:12-14 (NIV)

Discuss:

- What was the Holy Spirit speaking to you this week as Jason shared from the word?
- Whom is Paul talking about in these scriptures?
- How do we model a difference in Relationships?
- In what ways do we show the world that we can have a hard conversation and still hang out?
- Do you model redemptive conflict resolution in your relationships with other believers?

Read Together: 1 Corinthians 13:1-3 (NIV), John 13:34-35 (ESV), 1 Corinthians 13:4-7 (NIV)

Discuss:

- Who are we primarily supposed to love?
- What do we gain if we don't have love?
- What is Biblical love?
- How have you seen these scriptures being used to justify loving the world but not the Body of Christ?

Love one another is a choice.

Discuss:

- Talk about this quote from Pastor Jason: "It's easier to act your way into a feeling than to feel your way into an action."
- Whom do you know that would benefit from you sharing what you learned in this message?

Pray:

Father, please show us how to love the body of Christ in a way that draws others to you. Show us how-to walk-in Unity. Teach us to live in your way. In Jesus' name, Amen!
